

PSRs and types of media figures

later studies suggest no difference in PSR

— between different reality statuses of media

— figures (Giles, 2012)

!! important to note that transmedia characters

— reality status can vary (see Bertetti, 2004)

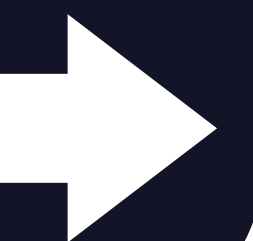

PSRs and types of media figures

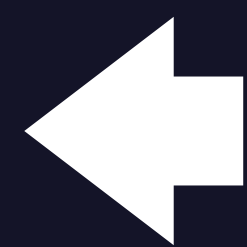

later studies suggest no difference in PSR between different reality statuses of media figures (Giles, 2012)

!! important to note that transmedia characters reality status can vary (see Bertetti, 2004)

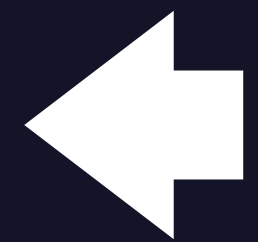

reductive-biological view of PSRs

PSRs and types of media figures

This study focused on these two categories!

second order
figures

human, fictional

third order
figures

fantasy, fictional
