attempts to measure PSRs

...elements of these were combined in Claessens and Van den Bulck's scale to measure PSR strength

Palmgreen's audience-persona interaction scale (2000, pp.82–83)

Hartmann et al.'s Positive PSR scale (2008, p.28)

Rubin et al.'s parasocial interaction scale (1985, p.167; see also Rubin and Perse, 1987, p.254)

Claessens and Van den Bulck's 13-item scale (2015, p.51)

more on this in a bit!
